## Smokey Bear To Celebrate 60<sup>th</sup> Birthday at Carousel for Missoula

This August 9<sup>th</sup>, Smokey Bear marks his 60<sup>th</sup> year as one of the nation's most recognized public servants. Smokey is inviting area children to help him celebrate his 60<sup>th</sup> birthday at the Carousel for Missoula. Festivities kick off on August 9<sup>th</sup> at the Carousel at 11:00 a.m. and include games for the kids and fire safety demonstrations by local firefighters. The celebration culminates with Smokey cutting his birthday cake at 2 p.m. and serving cake to all of his little helpers who show up to help celebrate his birthday and spread the word about the importance of fire prevention. In the meantime, Smokey would like to remind area residents and visitors that the forests in Montana are quickly drying out and fire danger is getting higher with each passing day. Remember, only you...
